SUMMER IN SHIRLEY

FACILITIES

Located at the Ayer-Shirley Middle School, *Summer in Shirley* has a perfect country setting for all summer time adventures. Ayer-Shirley's Middle School also provides a modern comfortable facility for rainy-day activities. Children take a shuttle bus for a fun-filled afternoon of swimming at the Benjamin Hill Recreation Area.

STAFF

Our Director/Senior Counselor, Steven Stern, has years of experience working with children in grades Pre-K through Grade 8. Counselors are respected high school-aged students or older, that have a passion for working with children. All of the staff members are CORI and SORI checked and certified in CPR and First Aid.
Summer in Shirley has a low child-to-counselor ratio of 4:1(ages 4 to 8) & 10:1(ages 9 plus). ***Note:*** Children are assigned to counselors while on off- site field trips only. Not while at the middle school and the Benjamin Hill Pool.

DAILY ACTIVITIES

Summer in Shirley provides special features for each and every week! Our daily activities include: arts & crafts, games (individual and team building), music, sports and entertainers. Special events/off-site field trips are scheduled every Tuesday and Thursday, except for the last week which will be Tuesday & Friday. Additionally, we offer swimming assessments and lessons included as part of our visits to the Benjamin Hill Pool, Mirror Lake and much more!
