The practices will take place at Swymfit, 90 Swanson Road Boxborough, MA 01719.

The Shirley Penguins swim team provides an affordable program for swimmers to take part in during the winter. When It started in 2007 with around 35 swimmers, its goal was to get kids into the water and swimming. Now, the Penguins have had over 230 swimmers pass through its program. The Shirley Penguins compete in the Minuteman Summer Swim League.

Basic swimming skills are needed, this is not a learn-to swim program. Swimming with your face in the water for one length of the pool is required.

Our Penguin program is about the individual swimmer and the idea of that individual improving from where they started. Swimmers will learn traits such as sportsmanship, teamwork, setting goals, and aspirations towards individual improvements that translate far beyond the lanes of the pool.

The QR code will take you to the Shirley Recreation page to register for the Winter Swim session.
