SHIRLEY CONSERVATION COMMISSION

Motorized Vehicle Use Policy

It is hereby declared the policy of the Shirley Conservation Commission that no person may operate a motorized vehicle, of any kind, on any lands in the Town of Shirley under the care, custody, and control of the Shirley Conservation Commission, except:

- motorized vehicles authorized and used in the management and maintenance of the lands under the care, custody, and control of the Shirley Conservation Commission (i.e. – forest/agriculture management: harvesting, haying, tending crops, roads, culverts, bridges, trails, boundaries, etc.).
- motorized vehicles under the authority or direction of an appropriate town, state, or federal agency that engages in emergency management services (i.e. – fire, police, ambulance, etc.) or for other purposes deemed necessary by said authorities.
- motorized vehicles permitted by the Shirley Conservation Commission on a case by case basis.

Adopted by unanimous vote of the
Shirley Conservation Commission
